Blue Drag

Slow drag

It sure is draggin' me down
I'm almost tagging the ground
When I hear that blue drag

It's slow drag

It's got that new lazy swing
I crave that new crazy swing
I must have that blue drag

Now that rhythm, blue rhythm, has brought me

A peculiar phase

Oh that rhythm, blue rhythm, has brought me

Peculiar days

Can't get enough of

Blue drag

You've got my soul on fire

I know that I'll never tire

Of that low down blue drag
