Comes Love

Comes a rainstorm, put your rubbers on your feet
Comes a snowstorm, you can get a little heat
Comes love, nothing can be done

Comes a fire, then you know just what to do
Blow a tire, you can buy another shoe
Comes love, nothing can be done

Don't try hiding
'Cause there isn't any use
You'll start sliding
When your heart turns on the juice

Comes a headache, you can lose it in a day
Comes a toothache, see your dentist right away
Comes love, nothing can be done

Comes a heatwave, you can hurry to the shore
Comes a summons, you can hide behind the door
Comes love, nothing can be done

Comes the measles, you can quarantine a room
Comes a mousey, you can chase it with a broom
Comes love, nothing can be done

That's all, brother
If you've ever been in love
That's all, brother
You know what I'm speaking of

Comes a nightmare, you can always stay awake
Comes depression, you may get another break
Comes love, nothing can be done

Comes love, nothing can be done
Comes love, nothing can be done
