I'll See You In My Dreams

I'll see you in my dreams
And then I'll hold you in my dreams
Someone took you right out of my arms
Still I feel the thrill of your charms

Lips that once were mine
Tender eyes that shine
They will light my way tonight
I'll see you in my dreams

Yes I will... see you in my dreams
You know I'll... hold you in my dreams
I know that... someone took you right out of my arms
But... still I feel the thrill of your charms

I dream of... lips that once were mine
And those... tender eyes that shine
I know... they'll light my way tonight
When I... see you in my dreams

Yes they will... light my way tonight
Because I'll... see you in my dreams
