Shine On Harvest Moon

Verse I

The night was mighty dark so you could hardly see
For the moon refused to shine
Couples sitting underneath a willow tree
For love they pine
The little maid was kinda 'fraid of darkness
So she said, "I guess I'll go"
Boy began to sigh, looked up at the sky
Told the moon his little tale of woe

Verse II

I can't see why a boy should sigh when by his side
Is the girl he loves so true
All he has to say is, "Won't you be my bride"
For I love you
Why should I be telling you this secret
When I know that you can guess
Harvest moon will smile, shine on all the while
If the little girl should answer yes

Chorus

Oh, shine on, shine on harvest moon up in the sky
I ain't had no lovin' since January, February, June or July
Snow time ain't no time to stay outdoors and spoon
So shine on, shine on harvest moon for me 'n' my gal
